Why LWT Order Portals?

LWT is one of the largest education IT resellers in Australia and have over 20 years of experience providing and supporting devices sold into schools.

Products differ from those available in retail stores, as they are generally more robust and selected for their compatibility to your school's ICT infrastructure and curriculum as well as ensuring better ongoing support.

With our bulk buying power and access to special education pricing, we provide the right products at the best pricing.

Commercial Grade Devices with Longer Battery Life

The devices we offer via our portals are commercial grade that you won't find in a retail store. Built to a higher quality and most coming with 3-year warranty options they are designed to last longer than their retail counterparts.

Hassle Free Quick Onsite Servicing

The student environment often leads to a higher number of repairs. When purchased, onsite support at the school greatly reduces frustrations for parents. Getting a retail device repaired usually takes weeks and quite often requires the parent to take time out of their day.

Accidental Damage Protection & Extended Warranty

All our devices have options for Accidental Damage protection with quick repair times. We use manufacturers policies not third-party products to help guarantee parts availability.

Dedicated Order Portal Hotline

To ensure your call is directed to the right person, we have a dedicated hotline just for portal related calls. You can call us with ordering, payment and delivery enquiries on 1300 839 605 or email sales@lwt.com.au.

\$100 Lay By Service

We offer a \$100 deposit option to secure a device and let you pay much closer to the delivery date.

12 Month Payment Plans

12-month payment plans that are approved online via Latitude or Zip. These plans can help spread the upfront cost for parents.
